

To pull a copy of your TCS orders from the DAMPS-OCOTCS website:

You can view and download a copy of your individual TCS order for Overseas Contingency Operations by following the instructions below. NOTE: This system has orders produced by IMCOM since October 2009 by selected installations. All installations will not be using this system until fielding is complete in mid 2010. If your TCS order was produced before October, 2009 or if your installation did not use DAMPS-OCOTCS to produce your order, you will have to contact the installation for a copy of your orders – they will not be available online.

To pull your orders you will need access to the internet and a computer with software to open PDF files, like Adobe Reader.

Instructions:

1. Enter the following web address into your web browser – <https://mobcop.army.mil>
2. Click on the “DAMPS-OCOTCS” link
3. Accept the standard DOD consent warning
4. Login using your AKO username OR your CAC
5. Click “Request Access”
6. If you have TCS orders in the system, you will see your orders listed here with a PDF icon
7. Click on the icon to show the “Open or Save” option for the file. You can now print or save your order to your computer.
